

# Empowering your digital journey

getronics

Getronics is a global leader in technology solutions with a team of over 4000 colleagues in 22 locations, providing comprehensive end-to-end services in 180+ countries around the globe.

We are one of only 18 companies from around the world positioned within the Gartner's 2025 Magic Quadrant, and we are the leading and founding member of the Global Workspace Alliance (GWA).

We are committed to delivering exceptional customer service, to enable your business to focus on your core strengths while entrusting your IT needs to Getronics.

We build strong relationships with our customers. We get to understand your business, your challenges or issues, and we use our industry and technology knowledge to create a tailored solution to deliver the outcome you need.

We continue to develop these relationships through solution delivery, on-going support, and evolving the solution as your business changes.

**We partner with you to deliver business value.**

# Why Getronics?

## **Delivering Business Outcomes**

We care about your digital solutions as if they were our own so that you can focus on your business.

## **Responsible Business Partner**
